## OUR MISSION

To provide exceptional medical care, therapies and support in a safe, nurturing environment where children can reach their fullest potential.

StartCare PPEC is a Pediatric Prescribed Extended Care Center (PPEC) located in Bradenton, Florida. We provide specialized nursing care, therapy services, developmental support, and family-centered care for medically complex children.

Our goal is to position StartCare as the most trusted, professional, compassionate, and modern pediatric medical day center in the region.
